Summer Reading Acknowledgement

By signing below, you are acknowledging that you are aware of the summer reading requirement for the 2017-2018 school year.

Every student entering grades 9-12 must obtain and read an age appropriate book of his/her choice. This book will then be used as the subject of an assignment in each English course when the school year begins. The book may be ficton or non-fiction, from any genre, provided that the material is age appropriate. Students will be required to complete a related assignment and share their reading responses with their classes.

**** Students in AICE and AP English Courses have assigned reading requirements. Those students should visit the program pages via the OHS Website for additional information.**

By signing below, I acknowledge that I am aware of the summer reading requirement at OHS for the 2016-2017 school year.
