After careful consideration, select the course you would like to take. Carefully select the correct semester. For an online course to count for your online class graduation requirement, it must be for 1.0 for yearlong courses OR .5 for semester long courses. For example, English is a yearlong course so you must take both semesters. Parenting is a semester course and so you only need to take it for half the year.

*We recommend you take an elective for your first online course (Parenting, Life Management, Personal Finance, Drivers Ed or **Peer Counseling**) If you haven't taken your PE elective then you should take Outdoor Ed or FIT Lifestyle.

*If you have an F in any of your current OHS classes then we may not approve the online course, until you have raised your grades.

1 Choose the segment(s)/semester(s) you want to take
 Think of a segment as a traditional semester, or 16-18 weeks. At FLVS, you move at your own pace, so a segment may take you 8 weeks or 24 weeks. Two segments equal a full year of any course.
 Prerequisite(s): This course is recommended for ELL students, but open to all students.
 Choose Segments: All Segments
 I understand this course has prerequisite(s) and I acknowledge that I have met these requirements.

2 Choose your preferred start date
 Students are placed as quickly as possible according to their requested start date. At certain times of the year, there may be a slight delay due to high volume requests. We continue to place students into courses as seats become available. This means that you may be placed after your preferred start date.

If you need to drop the course, you must do it within the timeframe given by your teacher. Online courses have a certain amount of assignments that must be completed on a weekly basis. “At your own pace” does not mean you can take as long as you want to complete a course. You will receive an “F” or “WF” if you do not drop the course in time.
