Parking Request

To purchase a 2016-2017 parking sticker, a valid driver's license, insurance card, and current vehicle registration are required. Parking permits are \$15.00. You must have a current GPA of 2.0. All sophomores and freshmen are forbidden to park on campus. Violation of this may result in removal of the car at the owner's expense. Parking is at your own risk.

- Students must show registration and current insurance for the vehicle that may be on campus. The parking decal is for the car that is registered only and if found on any other vehicle that vehicle **will be towed at the owner's expense.**
- Students may only park in designated areas.
- Students MUST begin exiting campus immediately after school. Any student found loitering on campus after 2:00pm may have their parking sticker revoked.
- **Parking Stickers MUST BE placed on the front, driver's side windshield at the bottom.**
- NO parking on curbs, grass, unauthorized areas, such as faculty parking, or places not valid with your stickers. Any violation may result in loss of parking privileges and/or **towing at the owner's expense.**
- Students must observe posted speed limits on campus (5 mph).
- Students are not permitted to remain in their cars after arriving at school and are not permitted to return to their cars at any time during the day.
- **Parking permits may be revoked at the administration's discretion. Some offenses include but are not limited to; off campus during lunch, speeding/reckless driving, attendance issues, and improper parking.**
- **Parking permits may be revoked for cutting through parking spaces and/or the parking lot for three (in school) weeks.**
- If the sticker is revoked for any reason you will not receive a refund and if allowed you will have to PURCHASE a new one for \$15.00.
- Students must maintain a 2.0 GPA, have 12 credits, and not owe any school fines. (Students enrolled in 7th period with a GPA lower than a 2.0 must seek written approval from Mrs. Pickett)
- Daily permits are \$1.00 and are only good for that day for cars that are not currently registered. The same requirements for a 2015-2016 parking apply (driver's license, registration, and insurance).
- One sticker per student will be issued.
- Vehicles are subject to search if reasonable suspicion exists.
- Students who receive more than 2 discipline referrals per quarter may have their permit revoked for the next quarter.
- No car is allowed on campus without a parking sticker. Therefore, you must secure the sticker before driving it to school. The only exception would be if a student is applying for one day permit.
